GENERAL PROVISIONS

Capitalized terms are defined in the Certificate or other documents made a part of this Policy.

PREMIUM CHANGES

We reserve the right to change premium rates any time after:

- a) the most recent premium rate guarantee date described in this Policy;
- b) there is an increase or decrease of 10% or more in the Policyholder's Employee population or the number of Employees insured under this Policy;
- c) our liability or cost of administration is changed due to a change in federal, state, or local law, statute or regulation;
- d) this Policy's terms are changed;
- e) coverage is reinstated following the Policyholder's failure to pay premium during the grace period;
- f) a division, subsidiary, associated company, affiliated company or an eligible class is added to or deleted from this Policy;
- g) we decide to non-renew a class of business; or
- h) there is a change which materially affects the risk for insurance provided by this Policy.

We must give the Policyholder at least 90 days advance written notice of any premium rate change.

PAYMENT OF PREMIUMS

The premium for this Policy equals the sum of the individual premiums for each Insured Person as described in the Premium Rider. The first premium is due on the effective date of this Policy. Subsequent premiums are due on the first day of each subsequent month or other modal period agreed to in writing by an authorized representative in our home office. Premium payments must be made to our home office or to a location we designate, using a payment method we accept. We will consider premium to be paid on the date we receive it.

GRACE PERIOD

There is a grace period of 60 days for payment of premium. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in the 60-day grace period that follows. We consider premium to be paid on the date we receive it.

Insurance will stay in force during the grace period. If we receive written notice requesting cancellation of insurance on a current or future date, the grace period will not apply. Coverage will end on the cancellation date specified in such notice, as long as the full premium has been paid up to that date.

If premium is not paid by the end of the grace period, insurance will end the day after the last day of the grace period.

REINSTATEMENT AFTER TERMINATION

If this Policy terminates for any reason, the Policyholder may request to reinstate it. We will reinstate only if:

- a) an authorized representative in our home office agrees in writing to reinstate this Policy;
- b) the Policyholder agrees in writing to accept any written conditions of reinstatement that we impose;
- c) all past due premiums are paid, including any premium for the time insurance was in effect during the grace period; and
- d) the premium due from the date of reinstatement until the next premium due date is paid.

CERTIFICATES

We will issue the Policyholder a Certificate form for delivery by the Policyholder to each Insured Person. The Certificate describes the benefits, terms, conditions, exclusions and limitations of the insurance provided under this Policy.

MISSTATEMENT OF AGE OR GENDER

If an Insured Person's age or gender is misstated, we may adjust the premium or the benefits payable. An adjustment of the benefits payable will be based on what the premium would have purchased at the correct age or gender.

INCONTESTABILITY

We will not contest this Policy after it has been in force two years, except for nonpayment of premium.

POLICYHOLDER RESPONSIBILITIES

The Policyholder will notify:

- a) list billed classes - both the Insured Person and us when the Insured Person's insurance under this Policy ends if the Insured Person ceases to be eligible for insurance under this Policy;
- b) each Insured Person and us when insurance under this Policy ends if this Policy is terminated and is not replaced by another policy or plan with no interruption in coverage; and
- c) list billed classes - us when the amount of insurance coverage for which an Insured Person is eligible changes.

Notice shall be provided within 31 days from the date insurance ends or, for any list billed classes, the amount of insurance coverage changes for the Insured Person. Notice to the Insured Person shall include information about any options available to continue or obtain insurance.

If we do not receive notice under a) above within this 31 day time period, we may require the Policyholder to reimburse us for the amount of any claims paid on behalf of any ineligible person and/or any dependents of such person during the time the person was ineligible. The Policyholder must reimburse us for claims under this provision within 60 days after receipt of our written request for payment.

The Policyholder is responsible for keeping the following records:

- a) persons insured by classification and any persons eligible but not insured;
- b) the amount of money the Policyholder contributes toward premiums;
- c) beneficiary designation information, if applicable; and
- d) any other information which we may reasonably request.

The Policyholder will provide us with copies of these records upon request. These records must be open to us for inspection at any reasonable time.

The Policyholder will provide, as we require, any information on our forms which is needed for insurance administration. The Policyholder is responsible for enrolling eligible persons for coverage under this Policy and remitting premium once any applicable eligibility waiting periods for such persons are satisfied, and performing other administrative duties agreed to by us. The Policyholder will perform its responsibilities in accordance with the terms of this Policy and our policies and procedures. The Policyholder may delegate some of its responsibilities to a third party.

The Policyholder and any third party utilized by the Policyholder to perform such administrative functions, act on behalf of the Policyholder and do not represent us or act on our behalf. The Policyholder and such third party have no authority to alter or expand our liability under this Policy and have no authority to waive, modify or compromise any defense or right we may have under this Policy.

The Policyholder agrees to indemnify and hold us harmless from and against any and all claims, actions, damages, liability and expenses, including, without limitation, reasonable attorneys' fees, arising from or related to the failure of the Policyholder, or a third party to whom the Policyholder has delegated its responsibilities, to perform its responsibilities in accordance with the terms of this Policy or our policies and procedures.

ASSIGNMENT

No assignment of this Policy is binding upon us unless an officer in our home office agrees to it in writing and not until it is recorded with us at our home office.

HOW YOU'RE PROTECTED IF YOUR LIFE OR HEALTH INSURANCE COMPANY FAILS

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- a) Accident, accident and health, or health insurance (including HMOs):
 - 1. Up to \$500,000 for health benefit plans, with some exceptions.
 - 2. Up to \$300,000 for disability income benefits.
 - 3. Up to \$300,000 for long-term care insurance benefits.
 - 4. Up to \$200,000 for all other types of health insurance.
- b) Life insurance:
 - 1. Up to \$100,000 in net cash surrender or withdrawal value.
 - 2. Up to \$300,000 in death benefits.
- c) Individual annuities: Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- d) Other policy types: Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- e) Individual aggregate limit: Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- f) Parts of some policies might not be protected: For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.
